

At The Southern, we do everything we can to provide secure credit/debit card services to our members, but you also play an important role in preventing scams.

- Don't be intimidated by aggressive communications that claim that there are consequences for not providing your personal information.

**Here are a few things to keep in mind:**

Ignore unsolicited phone calls, emails, and texts that request personal information or your full credit/debit card number. The Southern Credit Union will never ask for this type of information.

**TEXT:**

- Fraud Alert text messages from The Southern will always come from either phone numbers 20733 or 37268.

- Legitimate Fraud Alert texts will not include any personal information except the last 4 digits of the card.

**CALLS:**

- Fraudulent calls can come from varying phone numbers.

## Protect Yourself Against Credit/Debit Card Scams

- A legitimate verification caller will ask for the cardholders name as it appears on the card and the last 4 digits of the SSN/Tax ID we have on file - **NOT** account numbers or full card numbers.

**EMAILS:**

- Our Card Services Department will not send unsolicited email to verify information.

*If there is ever a doubt about an alerts legitimacy, call us at 770-719-1111 during office hours or 877-253-8964 after hours and we will be happy to help.*

# Be Southern Safe

What you need to know about insurance coverage for your accounts with us.

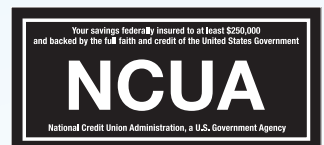

### What is Share Insurance?

The National Credit Union Association (NCUA) provides credit union members with \$250,000 in coverage for their single ownership accounts. These accounts include regular shares, checking, money market accounts, and share certificates.

If a person has more than \$250,000 at any single credit union, several options are available for additional share insurance coverage because the NCUSIF provides separate insurance for other accounts.

For more information regarding Share Insurance, we encourage you to visit [mycreditunion.gov/share-insurance](http://mycreditunion.gov/share-insurance).

The Southern has been your local Credit Union for over 60 years with safety and soundness as our number one priority. We appreciate your continued trust as your financial partner and are here for you.
